Secretary's Report

Treasurer's Report - Tammy reviewed the cash flow reporting that we made a profit of about \$270 from the Spring Musical. She explained that expenses increased and ticket sales decreased. Scrip sales profited \$33.72 for the month of April. The entry fee for the ensembles that were to perform were reimbursed because the contest was cancelled due to bad weather.

Old Business - Spring Musical - all bills have been turned in. Joni read a note from Lori Sponseller reminding us that she will no longer be in charge of makeup and costumes for the drama productions after her son graduates in 2011. We need to find storage for the many costumes and props she has purchased over the years and is currently storing in her home. Everyone agreed Lori has done a fabulous job for the Wayne Trace productions over the years and it will be difficult to replace her. Mr. Lucas will investigate storage solutions.

Mr. Frank Fahrer did an excellent job preparing the Choir students for contest and the students enjoyed having him here.
