High School Marching Band Students and Parents,

I hope this mailing finds you enjoying a restful summer and eager to start into our 2011 Football Season. I know this mailing comes a little early but I just want to make sure everyone is on the same page when it comes to dates and times for our camp.

Miss Spinner and I have been eagerly planning a great camp with some music that I think you will love! If you have some music choices that you wish to pass to me I always take requests. Just e-mail them to me and I will take a look to see if they are possible for our band. I want to point out and remind you of the dates for our upcoming band camp. This camp is very important for all students so that we can all start out on the same page. This camp is also very important for students who are changing instruments or returning to a different marching band instrument. This camp is also where we establish the uniform marching style that is needed for a successful marching season. Camp is required for all students in High School Band. Also attached with this mailing is a complete music department calendar of events for the upcoming school year.

This season we will have opportunities for a few fundraising events for our Spring Band Tour. I will have more information for you about these events at the meeting on July 15<sup>th</sup>. I encourage everyone to take part in these activities and fundraise more at the beginning of the year then at the end when the trip is upon us. Car washes and funnel cakes are in the future for the WT band to make some money!

If you have any questions please feel free to contact me at any time. Also all of this info is easily available to you online at [www.wtjrsrhsmusic.com](http://www.wtjrsrhsmusic.com) I will be in and out of the music office for the remainder of June but plan to be at school on a more regularly schedule by the first part of July.
